When you are given a writing assignment for breaking a class rule it must be returned the next day, signed by the student and the parent. Failure to return the assignment on the due date will result in further disciplinary action. Furthermore, an assignment returned without a parent signature will be treated as incomplete. The paragraph must be handwritten on a separate sheet of paper with the proper heading. Typed copies will not be accepted.

Write the following paragraph _____ time(s).

Lack of Respect

I did not demonstrate my understanding of respect in class today. I should have treated others the way I like to be treated. Instead, my own actions were disrespectful and inappropriate. I must show others the respect they deserve and expect if I am to be respected. I like to have my feelings, needs, and property respected by those around me. I need to do the same for others. I understand that I need to control my behavior so that I do not hurt other people or property. I know that I am capable of respecting all people, their feelings, and materials. My actions also disrupt the class and interfere with the teacher's efforts to help students learn and succeed. The teacher is forced to stop the learning process of the class to inform me of my poor judgment. As a result of my behavior, I have disrespected not only the victim of my actions, but all the others in the classroom denying them the opportunity to learn. In the future, I will try to respect my peers, my teacher, all others, and myself.

I, _____, have read the above statement and understand that I need to follow the rules.
