When you are given a writing assignment for breaking a class rule it must be returned the next day, signed by the student and the parent. Failure to return the assignment on the due date will result in further disciplinary action. Furthermore, an assignment returned without a parent signature will be treated as incomplete. The paragraph must be handwritten on a separate sheet of paper with the proper heading. Typed copies will not be accepted.

Write the following paragraph _____ time(s).

Talking in Class

There we were in class, and I should have been working, but instead, I decided to talk. I delayed the class and broke the concentration of other students because the teacher had to stop and ask me to be quiet. This interfered with the right of other students to learn. Talking and distracting behaviors are inconsiderate, show lack of respect for the lesson that my teacher prepared for me and my peers and waste valuable time. It is not fair to others when I talk or interrupt class. I need to do remember this the next time I am tempted to do something that will disrupt the class, because my rights end when they intrude on someone else's right to a quiet and orderly class.

I, _____, have read the above statements and understand that I need to follow the rules.
